Proceedings of the Chief Commissioner of Mysore, Financial Department,
5th May 1877.

5. In the last two columns of the statement printed at page 5 of the report now submitted, the Examiner has shewn in a lump sum the grant-in-aid from local funds to public works and the outlay therefrom. It seems desirable that, in future accounts, the particulars of the grant and outlay should be shewn separately for each District.

6. The lapses amounted to Rs. 1,37,227.

7. The allotments appear to have been well utilized in the Bangalore, Hassan, Shimoga and Kadur Districts; while in the other Districts, and more especially in Chitaldroog, the lapses amounted to very large sums as will be seen from the following statement, exhibiting the percentages of short outlay against grants:—

Districts	Percentage of Lapse.	
	On Works against Grant.	On Establishment against Grant.
Bangalore	12·7	8·4
Kolar	24·0	21·3
Túmkúr	19·8	3·1
Mysore	23·8	28·0
Hassan	10·8	4·5
Shimoga	3·4	14·9
Kadur	2·8	14·6
Chitaldroog	63·7	23·9
Undistributed grant	100·0	...
Grant-in-aid to Public Works	38·0	...
	26·3	15·8

8. The grants for relief works which were allotted from several local sources during the latter part of the year, when the commencement of the impending scarcity necessitated the starting of relief works, amounted to Rs. 43,463, of which Rs. 9,242 were expended, and the balance, Rs. 34,221, lapsed.

9. The items of irregular expenditure, noted in para 17 of the Examiner's report, have been since adjusted, regular estimates having been submitted and sanctioned.
